	)	
v.	)	<b>REPORT AND</b>
	)	<b>RECOMMENDATION</b>
MARIAN FEATHER, et al.,	)	
	)	
Respondents.	)	

Eric M. Christensen, proceeding pro se, is currently incarcerated at Federal Detention Center (“FDC”) SeaTac. Christensen submitted a petition for writ of habeas corpus under 28 U.S.C. § 2241 challenging “the conditions of his incarceration.” Dkt. 7 at 1. Christensen’s petition alleges the Bureau of Prisons violated his due process rights in imposing sanctions against him. *Id.* at 6. According to Christensen, he was housed at Pioneer Fellowship House, a federal halfway house, when he was cited for “escape from unescorted community programs.” *Id.* at 4. As a result of the violation, Christensen was removed from the halfway house and returned to FDC SeaTac. *Id.* at 5. The violation also resulted in the loss of good time credits and loss of his Residential Drug Abuse Program sentence reduction. *Id.* Christensen claims the matter was referred to the Discipline Hearing Officer for further hearing, but no further hearings were conducted. *Id.* at 5-6. Christensen thus filed for habeas relief.

1 On January 13, 2011, Christensen submitted a letter to the Court seeking to withdraw his  
2 habeas petition as the Bureau of Prisons resolved the issue, and Christensen had received all of  
3 the relief he sought through the instant action. Dkt. 11 at 1. Based upon Christensen's request to  
4 withdraw the petition and the fact the petition now appears moot, the Court recommends the case  
5 be **DISMISSED** with prejudice. A proposed order accompanies this Report and  
6 Recommendation.

7 DATED this 14th day of January, 2011.
